LB 165, 1077

Individual Education Plan for the handicapped children. I think that that pretty well explains the bill. I can try and answer any questions if anyone has any. Otherwise, I would just move the advancement of the bill.

SENATOR LABEDZ: Senator Baack, there are no lights on. You move for the advancement of LB 165.

SENATOR BAACK: Move the advancement.

SENATOR LABEDZ: All those in favor vote aye, opposed nay. Have you all voted? Mr. Clerk, record.

ASSISTANT CLERK: 26 ayes, 0 nays on the advancement of the bill.

SENATOR LABEDZ: LB 165 is advanced. Mr. Clerk, LB 1077.

ASSISTANT CLERK: LB 1077 was introduced by Senator Hartnett. (Read title.) The bill was read for the first time on January 12th. It was referred to the Education Committee. They report the bill to General File without committee amendments.

SENATOR LABEDZ: Senator Hartnett, on LB 1077 advancement.

SENATOR HARTNETT: Yes, yes. Madam Chairman, the intent of 1077 is to clarify the present law regarding the ability of a school district to lease property that it now owns. The bill provides that a school district, when it does not have an immediate need to use all the portions of any school district property, may lease the property, that property, on such terms and conditions as it determines. Madam Chairman, I would ask for the advancement of the bill.

SENATOR LABEDZ: Senator Hartnett, there are no further lights, would you like to move for the advancement?

SENATOR HARTNETT: Yes, I do.

SENATOR LABEDZ: All those in favor of LB 1077 vote aye, opposed nay. Have you all voted? Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays, Madam President, on the motion to advance the bill.
